

Detox your Way to Good Health

INNER D-TOX is certified HALAL by IFANCA
(The Islamic Food and Nutrition Council of America)

INNER D-TOX

An internal cleansing beverage formulated with a variety of fruits, vegetables, wholegrains, pre- and probiotics and herbs. A totally natural formulation that helps to flush out toxins from our body. Whilst optimizing complete detoxification, this nutrient-rich formulation provides essential nutrients that helps lower cholesterol, enhances digestive system, improves immunity and provides an overall health boost.
