

Marvel in Awe

Revitalise your skin in just two weeks!

Skin care that promises to deliver noticeable results within 14 days? Sounds too good to be true, but with Bioxil Two Weeks Miracle skin care range you'll wake up to sensational skin within a fortnight!

This phenomenal skin care system uses only the freshest ingredients,

including natural plant extracts, fermented organic ingredients, peptides and nano-capsulation technology to help problems associated with skin. Made with no chemical preservatives, Bioxil Two Week Miracle is delivered straight to your doorstep within a week of production so as to perform to its optimum effect.

This new age, revolutionary skin care system provides a professional home care program with two product lines – Ageless Miracle and Clear White Miracle – to encourage your skin's natural recovery function and restore youthful skin texture and radiance.

Ageless Miracle: Anti-Aging & Anti-Wrinkle
Improve skin elasticity, restore youthful skin texture and radiance while visibly reducing wrinkles and fine lines in just two weeks with this four-step system of advanced bio-cosmetology and all-natural ingredients.

- Step 1: Ageless Miracle Solution (15ml)**
Use twice daily, morning and evening to correct complexion, moisturise and balance pH levels. Wait till solution is fully absorbed before applying serum.
- Step 2: Ageless Miracle Serum (9ml)**
Apply serum after solution to supply sufficient nutrition. Massage serum over entire face and neck. Allow to penetrate completely before applying the next step.
- Step 3: Ageless Miracle Cream (9ml)**
Massage in an upward stroke onto entire face and neck to help reduce wrinkles and recover elasticity.
- Step 4: Ageless Miracle Eye Cream (4.5ml)**
Apply around entire eye area to help reduce puffiness, dark circles, crow's feet and frown lines.

Clear White Miracle: Skin Brightening
Get healthy radiant skin, whilst reducing the size and intensity of dark spots within two weeks through this scientific four-step system.

- Step 1: Clear White Miracle Solution (15ml)**
Use morning and night to moisturise and eliminate all signs of fatigue, correct complexion and balance skin pH levels. Wait till solution is fully absorbed before applying serum.
- Step 2: Clear White Miracle Serum (9ml)**
Gently massage over entire face and neck after solution application to supply sufficient nutrition and active ingredients.
- Step 3: Clear White Miracle Cream (9ml)**
Gently massage over entire face and neck to reduce dark spots thanks to unique peptides that boost cellular energy for a brighter and even skin complexion.
- Step 4: Clear White Miracle Corrector (4.5ml)**
Apply on target areas such as discolouration around the eyes, cheek bones, neck and even on the back of hands to effectively prevent new spots from occurring while fading out visible spots.
